

Kindergarten Age Eligibility Policy

Current: In accordance with state law and applicable application and lottery guidelines, it is the policy of CWC Kansas City to admit any incoming kindergarten student who has reached his/her fifth (5th) birthday before September 1 of that academic year.

Since state law allows charter schools discretion to extend admission to a kindergarten student who has reached his/her fifth (5th) birthday before October 1 of that academic year, the following change is proposed:

Proposed: In accordance with state law and applicable application and lottery guidelines, it is the policy of CWC Kansas City to automatically extend admission to any incoming kindergarten student who has reached his/her fifth (5th) birthday before September 1 of that academic year. If a student has their fifth (5th) birthday September 1 - September 30 (inclusive) of that academic year, CWC Kansas City has the discretion to extend admission, provided that a recommendation is made by the Executive Director and/or Principal following an in-person meeting with the family.
