

Dear CWC Families,

Following is a list of supplies for students in CWCKC:

Supplies needed for all students:

- Backpack – small, lightweight, no wheels
- Complete change of clothes to be kept in the classroom
- Lunch box (if bringing lunch to school – not needed if purchasing hot lunch)
- Snack bag/box – can be a paper bag or a reusable container; snack needs to be packed separately from lunch if both are brought to school

Extra supplies for Kindergarten only

- Blanket, mat, or towel – Kindergarten children will need to bring a small blanket or towel for rest time. It should be no larger than a beach towel. It should be brought to school in the backpack each Monday and left in the child's cubby throughout the week. It should be taken home each Friday in the backpack for laundering. Please ensure your child can take the blanket in and out of his/her backpack without assistance (if they are physically able).

At CWC Kansas City, we create a community set of supplies in our classroom so that children share materials and always have what is needed at the ready. Therefore, there is a relatively small list of supplies needed to send with your child. However, in the spirit of community, if you are able and willing, we welcome your contributions to our classroom community supplies – as noted below. If you choose to contribute, please send in any of the items listed here!
