

New Policy #28-A: State & Federal Projects

Authority to Operate

With Board approval, the School may operate various specially funded programs that must be administered in accordance with particular federal and/or state laws, regulations, and other conditions for use of such funds.

The Executive Director shall be the designated School Leader responsible for coordinating funded projects, administering programs, and ensuring that the various departments operating these programs do so within the guidelines of the particular program. The School shall keep accurate and separate records, as required by state and federal programs, to enable the School to verify program compliance and success. The Executive Director shall keep the Board fully informed.
