

Teacher - Elementary

Citizens of the World Charter Schools - Kansas City

SUMMARY

The mission of CWC Kansas City is to provide an excellent public education focused on developing and demonstrating **understanding** while building **connections** within the school community.

CWC Kansas City teachers will implement a high-quality, challenging academic program that includes curriculum consistent with the constructivist learning theory, and developing project-based, interdisciplinary units that allow students to develop and then demonstrate their understanding actively and creatively.

We are looking for candidates who have experience with similar models of instruction, working in varied communities, and a solid understanding of supporting the academic, social, and emotional development of young children.

This is a full-time position located in Kansas City, MO. For more information on Citizens of the World Charter Schools – Kansas City, please visit www.cwckansascity.org.

RESPONSIBILITIES

Responsibilities will include, but are not limited to:

- Delivering curricular materials selected by CWC Kansas City within a safe, socially supportive, and inclusive classroom environment.
- Developing lessons and units of study that serve varied learning styles and levels of skill and knowledge for the grade level.
- Taking part in a collaborative professional team environment, working with other teachers and administrators to develop, implement, and refine integrated, project-based curriculum.
- Engaging in ongoing assessment of student progress using a variety of means, maintaining accurate records, and using assessment data to tailor instruction to individual student needs to increase student performance.
- Actively participating in regular professional development activities, both internal

and external, such as regular classroom observations, reflective discussion of professional practice, professional readings, visiting other classrooms and schools to observe colleagues, attending conferences, and offering training or workshops for colleagues in an area of expertise.

- Maintaining frequent, sensitive, and effective communication with students, students' families, colleagues, and other school stakeholders.

QUALIFICATIONS & TRAITS

The ideal Elementary Teacher will have:

- A bachelor's degree (master's preferred) and appropriate Missouri Elementary Teacher Certification (i.e. "B-3 Early Childhood Education" and/or "1-6 Elementary Education")
- Experience (minimum two years preferred) teaching early elementary grades
- Experience working with diverse populations, including English language learners and students with special needs
- Experience organizing and managing a student-centered classroom that includes age-appropriate, culturally-responsive classroom management practices
- Experience with and passion for pedagogical practices grounded in constructivism, project-based learning, and the multiple intelligences theory; and in creating appropriate standards-based curriculum in accordance with these philosophies
- Experience developing caring classroom environments where instructional time is dedicated to community-building, conflict resolution skill-building, and empowering students to be peacemakers and agents for positive social change
- Excellent communication/interpersonal skills as well as a desire to collaborate with various stakeholders to help develop a strong school community
- Maturity, humility, strong work ethic, sense of humor, and a can-do attitude
- Willingness to explore additional school responsibilities (before/after school care and classes, committee involvement, etc.); stipends may be available for such responsibilities.

EMPLOYEE VALUE PROPOSITION

Who We Are	Who You Are
<p>We are a welcoming community. CWCKC was founded on a belief that we live in a richly connected world, and we strive to create a school community that reflects this reality.</p>	<ul style="list-style-type: none"> You value creating an engaging school community where students feel seen, supported, and challenged.
<p>We believe education is about more than test scores. Student learning matters and goes beyond just academics. Our teachers focus on the whole child by building our students' socio-emotional skills and helping them develop a deeper understanding of themselves.</p>	<ul style="list-style-type: none"> You know that academic learning is important and have experience helping students develop their social-emotional skills. You understand how to balance academic rigor with the development of the whole child.
<p>Our teaching approach centers students' interests and needs within projects and real-world experiences. We strive to provide learning experiences that are meaningful and make a difference in our school and community. Our teachers engage students in projects based on their interests and individual learning needs.</p>	<ul style="list-style-type: none"> You are excited about designing project-based learning experiences for students grounded in their interests, experiences, and identity. You value students constructing their own learning to develop a deeper understanding of the world around them. You embrace creativity and risk-taking in lesson planning.
